Security Forces in Berat

25**X**1

The Sigurini and Police occupy the same building, Sigurini offices are
on the second floor of the building in order to be isolated from the
public and are kept leaked when unnecessary.

25X1

Organisation

- 2. The Police headquarters of a term deals with the term and nearby villages. Police pends to control distant millages, are established at a suitable central location in one of the villages. At a gark center such as Reree, the Sigurini and Police headquarters, are the headquarters for the whole Qark, but are divided into sections; one for each Rreth and one for the town. There are sub-headquarters at each Repth subordinate to the main headquarters.
- 3. The strength of a town police force is usually from 50 to 60 efficers and men; that of a village Police Post is about 10 men. By comparison, the Sigurimi force at Berat consisted of 40 efficers and men.
- 4. A local Police Headquarters has the fellowing effices:
 - a. Internal movement (decumentation).
 - b. Prisoner escort.
 - c. Criminal office.
 - d. Accounting office, with a civilian accountant.
